

Ann Breen, Administrator and NCIA Board member from Encore Senior Village at Paradise Valley will present a workshop for assisted living managers on how to prepare for an assisted living survey. Participants will leave this workshop knowing what documentation to have ready when the Department of Health Services enters their building and how the rules are utilized in the assisted living survey process. Case studies will be presented and participants will get a glimpse of what a Plan of Correction entails.

Don't miss this informative and educational seminar!
